Champagne EPC: Modern Champagne with a Clear Origin

Champagne EPC was created with a modern vision of Champagne, built around transparency, terroir, and collaboration with independent winegrowers.

Each cuvée comes from carefully selected vineyard parcels and highlights the unique character of its origin. By working closely with growers across Champagne, EPC creates wines that are precise, fresh, and expressive. The style is elegant and vibrant, with fine bubbles, lively acidity, and pure aromas of citrus, white fruit, and brioche.

EPC stands for traceability, authenticity, and a contemporary way of enjoying Champagne, where origin and craftsmanship remain at the heart of every bottle.
